

# FORD LIVONIA TRANSMISSION PLANT: BOSTON BEACON PROJECT

## WHAT ARE WE DOING?

### TESTING UNDERGROUND WATER IN YOUR NEIGHBORHOOD

There is no impact to your home's drinking water.

1

2

3

Every effort will be made to minimize disturbing grass and lawn areas. When the testing is completed, all surfaces will be restored to previous conditions as weather permits.

All testing will take place on **public right of ways** and not private property.
